## YOU WILL TASTE

The fragrance unfolds as blackberry with some liquorice notes. Touch of tobacco leaf in the long finish.

## VARIETY CABERNET SAUVIGNON

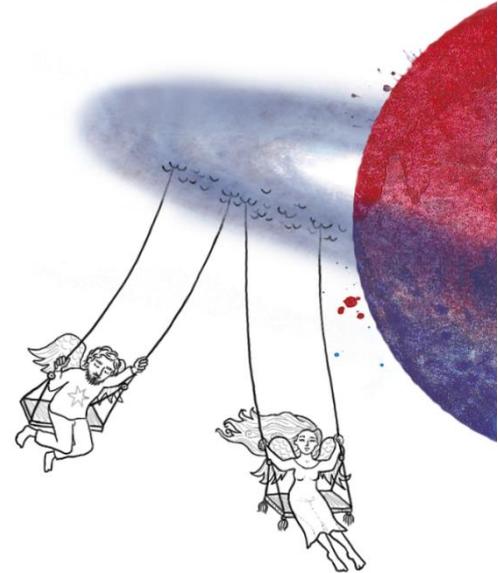

### ORIGIN, VINIFICATION

- Natural wine. Biodynamic wine, certified by Demeter
- Villány wine region, southwest of Hungary. DHC Villány Premium
- Slope: Város Hegy (Hill of the town), Verebes Rét (Sparrow Meadow)
- Soil: Limestone bedrock, loess and clay topsoil
- After handpicking on October 5th with 105° Öchsle, the mash fermented spontaneously for 6 weeks in an open wooden rack. The malolactic fermentation also took place there and spontaneously. This wine was allowed to mature for 16 months in used Hungarian and French small oak barrels in our traditional earth cellar. It was bottled unfinned and unfiltered and got only minimal sulfur. Vegan.

### STORY

- Cabernet Sauvignon is one of the well known, but also one of the most demanding red grape varieties. Pure Sauvignon is very rare in Europe because it is usually very difficult to make a harmonious wine from this variety. Here in Villány, however, Sauvignon has such optimal conditions that it ripens so well that we can make very balanced varietal Cabernet Sauvignon. We also remove the leaves from around the grapes so that the sun can help us to get ripe, smooth tannins and right acidity.
